

Birthday parties at the Barefoot Dance Center are fun-filled, action-packed celebrations. Kids use props, such as parachutes, scarves, hoops and travel through an obstacle course. They play imaginative and silly movement games, and dance to music. Two-hour parties (recommended for older children) also allow guests to create and perform a dance together.

Details:

- Barefoot supplies the space, organization, entertainment and clean-up. The party family is responsible for invitations, favors, food, drinks, paper goods, cake, etc.
- Parents of the birthday child must stay for the party and wait until all children have been picked up.
- We prefer drop-off parties. For a smoother celebration, please ask parents to return promptly to pick up their children.
- Opening gifts is optional and not recommended for young children. Let us know of your plans.
- We ask that you serve water or juice boxes for less mess.

Fees: 1½ hour party: \$175

2 hour party: \$200

- Fee covers 10 children total.
- Additional guests: \$10 per child.
- Maximum capacity: 15 children.

Payment: To secure a date and time, confirm by phone (845-384-6146) or e-mail us at info@barefootdancecenter.com, and send non-refundable check for one-half the total fee to:
